

Denise Peck

Denise is an experienced technician with over three decades of public sector experience helping to deliver hundreds of capital infrastructure projects throughout the State of New Jersey. Denise leverages the expertise gained during an accomplished career to manage client relationships and deliver an essential scope of services to clients and teaming partners through the firm's Public & Community Outreach practice.

Denise joined NorthStar Strategies after a distinguished 35-year career with the New Jersey Department of Transportation (NJDOT). Over the course of her NJDOT career Denise worked on hundreds of Federal, State, and Local Aid Projects in a variety of senior positions, delivering essential technical services. During her tenure with the Department's Right of Way and Access Management unit, Denise served in myriad positions including Team Leader where she managed functions for many projects including the Xanadu Project at the Meadowlands. Denise served as Real Estate Appraiser for the Rutgers University Football Stadium where she played a key role in fast-tracking the project by completing her scope of work ahead of schedule.

Denise served as Regional Manager for the Department's Government and Community Relations unit. In this capacity she managed and delivered essential community outreach services for some of the most consequential and transformative capital projects in a generation, including Route 52 Causeway, Somers Point and Ocean City NJ, Route 72 Manahawkin Bay Bridges, Manahawkin and Ship Bottom, NJ, and Route 35 Reconstruction, Point Pleasant Beach, Point Pleasant Borough, Bay Head, Mantoloking, Seaside Heights, Seaside Park, Berkeley, NJ.

In her personal time, Denise is passionate about animal rescue and pet adoption. She contributes her time and resources to organizations across New Jersey and New York that are committed to finding suitable homes for unwanted, abandoned, abused or stray pets. Denise was born and raised in Mercer County, NJ and resides in Hamilton Square with her husband Greg and son Gregory.
